Parking at the Centre

33 ASSIGNED SPOTS!

We have 33 assigned spots for the Centre located in 2 places.

The lot closest to our entrance door has 20 spots and the rest are closer to Oakdale in the lot on the south when you enter the complex. That is also where the visitor stalls are located, which members may park in if there are no Centre designated spots available. Centre assigned spots are labelled. The Centre's spot numbers are 185-204 & 314-326. As many of our members reside in the complex, the need for parking stalls is more limited than at our previous location.
