WHAT'S NEW IN THE WOODS

Fall 2025

Message from the Centre

Message from the Board Chair

As I assume the role as your new Board Chair, I know I have a hard act to follow. My predecessor Sherry Mooney has accomplished so many milestones during her tenure, and I will look to her for guidance as she assumes her role as past Chair.

It is hard to believe another summer is almost gone and we will soon be gathering at our open house BBQ on September 4th and thinking about what activities to enroll in for the fall session.

As you peruse the fall newsletter you will notice some changes. Fitness classes have increased to \$8.00 per class. This is well within the range charged by other senior organizations. Cards, games and some social gatherings will now require both registration and fees payable for each of the four sessions offered throughout the year. Although this may seem a huge increase it works out to under \$2.00 per week. These increases, as mentioned at the AGM, are necessary due to the increase in our operational costs. The board and staff will continue to look to grant opportunities to help fund social outings/activities.

We will also move to expanding our hours, offering more classes/ activities and toward offering rental space to other community groups/ individuals. We ask for your support and patience as we work toward these goals as change takes time and volunteers willing to pitch in.

Looking forward to seeing you at the open house and throughout the coming year.

Parking at the Centre

We have 33 assigned spots for the Centre located in 2 places.

The lot closest to our entrance door has 20 spots and the rest are closer to Oakdale in the lot on the south when you enter the complex. That is also where the visitor stalls are located, which members may park in if there are no Centre designated spots available. Centre assigned spots are labelled. The Centre's spot numbers are 185-204 & 314-326. As many of our members reside in the complex, the need for parking stalls is more limited than at our previous location.
