

CENTRE UPDATE- MARCH 28,2024

Happy Thursday everyone. Here is your weekly update.

Reminders & Centre Info

- The Centre is closed tomorrow, Friday March 29th for Good Friday and we are open on Monday, April 1st.
- The current session runs until Friday April 5th.
- Registration for the Spring session begins Monday, April 8th.
- We use a staggered registration process. You can find the process in the [newsletter](#) or to see when registration opens for the programs you are interested in, click [here](#).
- Programming begins Monday, April 15th.
- Membership must be current to register for Centre programming. Ensure that your membership is up to date before registration begins. You can call the office at 204-897-5263 to check or online by logging into your Centre account and clicking on History and then Memberships. Some programs fill up quickly and if you need to update your membership while you are trying to register, you could miss out on getting into the program.
- A reminder that if you log in to register before registration opens and the registration does not open on your device at the scheduled time, you may have to refresh your page. For most computers the refresh is at the top of the page (see arrow) but on some devices it is located at the bottom. You can open any web page to see where your page refresh is located.

A few funnies for your enjoyment

- Just sold my homing pigeon on eBay for the 22nd time.
- I grew up with Bob Hope, Steve Jobs, and Johnny Cash. Now there's no jobs, no cash, and no hope. Please don't let anything happen to Kevin Bacon.
- Shout out to everyone who can still remember their childhood phone number but can't remember the password they created yesterday. You are my people.
- What's better than Ted Danson? Ted singing and Danson!
- What's at the bottom of the ocean and shivers? A nervous wreck!
- Why don't they play poker in the jungle? Too many cheetahs!
- What do you call a can opener that doesn't work? A can't opener!
- Want to hear a joke about a piece of paper? Never mind... it's tearable.
- I just watched a documentary about beavers. It was the best dam show I ever saw!

Have a wonderful weekend and to those who celebrate,
Happy Easter.
